

# Quote & Tender Evaluation in the Cloud

360 (previously Apet 360Pro) is used by councils across Australia to:

- ✓ Advertise Requests for Tender
- ✓ Receive Submissions
- ✓ Assess, Evaluate, and Award

360 is unparalleled when assessing value for money. 360 supports complex and challenging tenders with:

- ✓ Weighted questions within weighted sections
- ✓ Optional sections assessed separately
- ✓ Multi-part tenders
- ✓ Alternate submissions and departures
- ✓ Probity checks and evaluation security restrictions
- ✓ Location weightings
- ✓ Price weightings
- ✓ Risk weightings
- ✓ Pre-submission restrictions
- ✓ Automatic qualification (for panels)

We can tailor 360 to meet your procurement team's unique needs.
